Staff Updates:

We had some staff changes in the past month (some new faces and some teachers switching classrooms):

Ms. Katy has joined Ms. Juliana in the Dragonfly Room

Ms. Sydni has been helping in the Grasshopper room in the mornings.

Ms. Anne has taken the Lead Teacher position in the Firefly Room. Ms. Tiffany's last day with us was January 31st, we will all miss her at Cornerstone and wish her well in her new adventure!

February is National Children's Dental Health Month

Tips for good dental health:

1. **Brush your teeth 2 times daily. Replace your toothbrush every 3 months**
2. **Floss daily to remove food particles stuck in the teeth**
3. **Eat a balanced diet**
4. **Schedule regular dental check ups**

Did you know.... Baby teeth play an important role in speech and development, a child's appearance and facial structure nutrition and ensuring that permanent teeth erupt in their normal positions. Although baby teeth are eventually replaced with permanent teeth, it is essential to keep them healthy. Decay and infection in baby teeth can cause damage to developing permanent teeth.

School Age Parents with EBT cards-

Please remember to contact your worker for ANY days off school (ex. snow days) or those additional charges will be billed to your personal side and those charges will be your responsibility. You have **10 days** (including weekends) to request extra hours.

Valentine's Day Parties- some classrooms will be having parties to help celebrate Valentine's Day. Please watch for sign-up sheets.

If your child is sent home for any illness, please make sure they are symptom free for at least 24 hours before sending them back to Cornerstone. This helps up prevent illnesses being passed on to other children as well as staff.

Transitions- some children will be transitioning to the next classroom at the end of February. Please watch for a transition notice. If you have any questions, please feel free to see Alisha or Ashley.

Past Due Accounts- Effective immediately we will strictly be enforcing our past due account policy. Consistent weekly or bi-weekly payments **MUST** be made for your account to remain in good standing. Late fees will be added to those accounts that are past a two-week balance. If your account gets more than three weeks behind your child(ren) will no longer be able to attend until your account is caught up. If you have any questions or concerns, please see Alisha or Ashley.

Friendly Reminders:

- Please remember to bring your child's gloves, hat, snow pants, etc EVERY DAY. Each classroom has two outside times every day (weather permitting).
- Please make sure ALL your child's belongings are labeled. Transitions can get quite crazy with so many littles ones and items may be placed in the wrong cubby by accident, be sure to check the name tag before taking items home.
- Please make sure your child has all the necessitates every day: diapers/pull ups, wipes, lunch, etc.
- Cornerstone closes at **6:00pm**, please make sure your child is picked up by then. We are not licensed to care for children after 6:00pm. If you are going to be a few minutes late due to unforeseen circumstances, please call either Cheryl or Tina to let them know.
- If your child is going to be late or earlier than their scheduled time or not in attendance, please call or e-mail Alisha or Ashley
