TIME TO CLEAN OUT THOSE CUBBIES!

With the hopes that we are past the winter season, please take home your child's snow pants, boots, etc. Also, please make sure your child has weather appropriate change of clothes to keep here just in case they are needed. Also, once summer arrives please make sure to bring your child sunscreen to keep at Cornerstone. As long as weather permits, each classroom continues to have an AM and PM outside time.

FUN FACTS**Did you know...**

Preschoolers need about 11 to 12 hours of sleep each day, which can include a nap. There's wiggle room about exact sleep times- the most important thing is to help kids develop good, consistent habits for getting to sleep.

Here are some helpful hints when creating a bedtime routine:

- **Include a winding down period during the half hour before bedtime**
- **Stick to a bedtime, alerting your child both half an hour and 10 minutes before hand**
- **Keep consistent playtimes and mealtimes**
- **Make the bedroom quiet, cozy and perfect for sleeping**
- **Use the bed only for sleeping- not for playing or watching TV**
- **Limit food and drink before bedtime**
- **Allow your child to choose which pajamas to wear, which stuffed animal to take to bed, etc**
- **Consider playing soft, soothing music**
- **Tuck your child into bed snugly for a feeling of security**
