School Age Parents- if your child will be in attendance at Cornerstone during KUSD Spring Break please let Ashley or Sally know for staffing purposes.

Also, school age parents with the EBT card please make sure you request additional hours within 10 days (including weekends) to avoid tuition charges being billed to your personal side. If you have any questions, please let us know.

Transitions- some children recently moved or will be moving up to the next classroom. We understand this can be an adjustment for both the parents and the child. If you have any questions or concerns about your child's new classroom please feel free to see their teacher(s), Ashley, or Sally.

Outside Time: Just a quick reminder to all parents to bring your child's outside gear every day. According to Wisconsin State Law we must go outside every day weather permitting. So, help keep your little one warm by making sure to bring hats, gloves, boots, and even snow pants and a scarf.

EBT PAYMENT: Parents who pay via EBT please remember to make your payment at the beginning of each month thank you.
