Also, school age parents with the EBT card please make sure you request additional hours within 10 days (including weekends) to avoid tuition charges being billed to your personal side. If you have any questions, please let us know.

Pickups can become very busy for our teachers. Sometimes reminders/messages may slip their minds. Please make sure you are reading your child's daily sheets. Any important reminders about upcoming events, supplies needed, and etc. written by your child's teachers. If you would like to speak with your child's teacher to see how your child's day is going, please feel free to call during nap time (12pm-2pm) and we can transfer you to the classroom.

Change in Schedules: If your child needs to attend additional days or change hours please call or e-mail Ashley or Madison at least the day before. Majority of our classrooms are at full capacity each day and additional children that are not on the schedule may put that classroom over ratio. Thank you for your cooperation.

Sick Policy- Friendly reminder to all parents; with cold and flu season upon us please keep your little one's home if they show ANY symptoms of an illness until the symptoms diminish. Your child will be sent home if he/she shows any of the following symptoms:

- A temperature of 101 degrees F or higher
- Vomiting or diarrhea more than twice while present at the center
- A contagious disease such as chicken pox, strep throat or pink eye
- An unidentified rash
