MARCH 2021

CATERPILLAR ROOM

As of March 1st Ms. Ericka, in the baby room, will be out for surgery for the next 8-12 weeks. We will be filling her spot with a new staff member, Ms. Jeimmy. Ms. Melissa will be back in cricket room in a few weeks. She has been out for surgery as well. Ms. Carrie will still remain in that room, assisting the new teachers.

SCHEDULE CHANGES:

If you need a schedule change for your child for the week, please contact us or email us. Cornerstone is pretty full in each classroom so your schedule change must be approved before adding or changing a day. You can contact Ms. Ashley or Ms. Cheryl about a schedule change.

BILLING INQUIRES:

Any billing inquires such as monthly statements, TE changes, vacation days or schedule changes that may affect your billing, please contact Madison. We typically pull TE on Monday for the whole week, if you plan to use a vacation day for a current week, the credit may not go into effect until the following week.

Ms. Ashley and Ms. Madison will be returning March 8th. We are happy to have them back!

CORNERSTONE CURRICULUM

Many parents might wonder what their children do all day at Cornerstone. We assure you our teachers are busy teaching your child new skills and practicing the skills they may already know. Preschool is not just about learning letters, numbers, and days of the week. It is about learning self-help skills, being aware of emotions and how to manage them, practicing fine and gross motor skills, learning to take turns, listening skills, and most important, independence. If you have questions about your child's day, please feel free to reach out to their teacher.

OUTSIDE TIME:

Since the huge snowstorms and cold weather, we have been unable to get outside much. The snow is starting to melt, and we are hoping to get the kiddos back out on the playground. During nice days, teachers have been taking kids outside to walk along the bike path near Cornerstone, or stroller rides for younger ones. Please continue to bring your child's boots, snow pants, and hats/mittens as they will still be needing them.

Physical Forms/Immunization Records

We are required by state to have record of each child's current physical and immunization records. Ms. Cheryl will send out reminders when your child's forms need to be updated. You have 4 weeks from the notice to update your forms. If they are not updated, your child may be unable to attend until you complete the updated forms.

Ages 6 weeks-2yr: Updated every 6 months

Ages 2yr-5yr: Updated every 2 years

REMINDERS:

March 4th - Half day for KUSD - student conferences

March 5th - NO School for KUSD

March 5th - EBT payments are due
