### **Cold and flu season is upon us**

Below are some ways to help your kids healthy!

- Keep your child home if they are sick
- Encourage your child to cover coughs and sneezes
- Stress the importance of not sharing food or water bottles
- Teach and encourage good handwashing

Below are some reasons we would send your child home:

- Fever
- Severe colds
- Diarrhea
- Vomiting
- Rashes
- Pink Eye

Please refer to our policy book for additional information regarding our sick policy.

### **Halloween Party**

On Thursday October 30<sup>th</sup> we will be having a center wide Halloween party! We will have classroom games, snacks, and children are encouraged to wear their Halloween costume or attire. Each classroom will visit other rooms to collect candy/goodies. If you send your child in their Halloween costume, please make sure they have extra clothes to change into after the party is done.

As a small business, reviews from families like yours mean so much. They not only help us grow but also help other parents feel confident when choosing care for their children. If you have a moment, we would be so grateful if you could share your experience with Cornerstone Academy by leaving us a review. We are so grateful to have such wonderful families as a part of Cornerstone!
