Star Photos will be at Cornerstone on Tuesday November 11th. If you would like to have your child's picture taken, please fill out a form (located on the front counter). Finished pictures will be available to view/purchase approximately 2-3 weeks after photo shoot. No money is due until viewing date. If your child does not attend Tuesdays, you may bring your child for pictures. Star Photos will be here at 9:00am for approximately one hour.

Fall Conferences- We will hold our fall conferences during the week of November 10th. While enrolled at Cornerstone, our teachers complete assessments and this helps teachers and parents know where their child is at developmentally. If any assistance may be needed, we can provide resources (ex. Birth to 3). We also use assessments to determine goals for the child to accomplish during their time at Cornerstone.

In addition, Cornerstone will also be working in partnership with Help Me Grow Kenosha. We are requesting Parents/Guardians conduct their own assessment of their children. We will invite you to participate in the Ages & Stages Questionnaire to help track your child's development. You will be asked to answer questions about things your child can and cannot do. They include areas in communication, gross motor, fine motor, problem solving, and personal social skills. Please keep an eye out for an email regarding the ASQ screenings which will include a link and QR code to our secure site.

School Age Parents- There is no school November 26th, 27th, and 28th. Cornerstone is closed the 27th and 28th.
