ASQ Screening

Cornerstone is partnering with Help Me Grow Kenosha to provide ASQ screenings to provide a quick look at your child's development. The questionnaire will only take about 10-15 minutes. After you complete the questionnaire, a professional will share the results with you. If your child is developing without concerns, there is nothing more you will need to do. If your child has trouble with some skills, different resources will be recommended for you. Early detection is key to support your child's healthy development. The link below will take you to Cornerstone's page and take you to the appropriate questionnaire. If you have any questions, please feel free to reach out.

If you have not completed the ASQ screening for your child(ren) please have it completed by the end of the month.

KUSD Winter Break

KUSD Winter Break will run from December 22nd until January 2nd. Classes will resume on Monday January 5th. If your child(ren) will need to attend, please let us know what days they will need care so we can staff accordingly.
