February is National Children's Dental Health Month!

During the month of February, the American Dental Associates celebrates National Children's Dental Health Month.

Below are some tips to maintain your child's oral health:

- *Schedule routine check ups*
- *Clean your baby's gums daily with a damp cloth to help wipe away bacteria after eating*
- *Start brushing with the first tooth*
- *Brush twice each day for two minutes*
- *Begin flossing once your child's teeth touch, you can start flossing in between them*
- *Snack healthy! Limit fruit drinks, fruit snacks, sticky candy, etc.*
- *Keep them hydrated! Avoid sugary drinks and encourage water throughout the day*
- *Replace your child's toothbrush every three to four months*

Friendly Reminders

- Make sure your child arrives before 10am. If you child is going to be later than 10am please speak with management.*
- Please make sure you are bringing your child with outdoor gear every day. Weather permitting, each classroom will continue to go outside two times a day.*
- Be sure to label all your child's belongings. We do our best to make sure we don't misplace any items.*
