Picture Day- We had a spring picture day scheduled in April; however, we will be scheduling a fall session with a new company; tentatively in November. Please keep an eye out for additional information closer to November.

FRIENDLY REMINDER! YOUR CHILD MUST BE IN ATTENDANCE BY 10am.

Spring Conferences- We will hold our spring conferences during the week of May 18th. While enrolled at Cornerstone, our teachers complete assessments and this helps teachers and parents know where their child is developmentally. If any assistance may be needed, we can provide resources (ex. Birth to 3). We also use assessments including the ASQ screening to determine goals for the child to achieve during their time at Cornerstone. If you have not completed the ASQ screening for your child, please use the link below to complete the screening.

Playground- You may have noticed our big play structure has been removed. After about 17 years of use, the decision was made to remove it. We will be adding additional play equipment in the upcoming months to the playground.

Transitions- Center wide transitions will take place on Monday June 8th. If your child will be transitioning to the next classroom, you will receive a transition notice.

If you need to update your child's schedule, please fill out a schedule change form (located on the front counter). If you have any questions, about transitions and/or change in your child's schedule please feel free to reach out to management.

During the month of April, classrooms explored several topics including recycled materials, Earth, and flowers. They enjoyed art projects, stories, and science experiments!

EBT Parents- Be sure to take full advantage of your parent portal. On your parent portal you can:

- View your childcare authorizations
- Schedule an appointment for an authorization request
- Request a new authorization or make changes to a current authorization
- Checked your balance on your MyWICChildCare EBT card and track payments
- Also, you can sign up to review a text message alert on your cell phone when you have a new message in the Parent Portal.

Authorizations- please make sure your authorization is current. We send out reminders as well as parents should get notifications to update their authorization. If your child's authorization is not current in our system, they will be unable to attend.
