Daily Lunches

We understand that there may occasionally be days when a lunch is forgotten. However, we are no longer able to provide daily lunches for students. Please ensure your child brings a lunch each day they attend.

If a lunch needs to be dropped off, all lunches must arrive by 11:00 AM.

We also ask that families refrain from using food delivery services (DoorDash, Uber Eats, etc.) for student lunches, as we cannot guarantee that a staff member will be available to meet delivery drivers.

Transitions

Classroom transitions will take place the week of June 8th. If your child will be transitioning to the next classroom, you will receive a transition notice the week prior.

Your child's belongings and folder will be moved to their new classroom. We also encourage you to take some time to meet your child's new teacher(s).

Please note: If your child is transitioning to the Dragonfly Room, you will no longer receive daily sheets.

As we head into the warmer summer months, we are looking forward to spending more time outdoors with the children. Sunscreen will be provided and applied throughout the day as needed during outdoor activities.

Please bring a labeled reusable water bottle to school each day so they can stay hydrated while playing outside.

Thank you for your support in helping us keep the children safe, comfortable, and ready for summer fun! If you have any questions or concerns, please feel free to reach out.

Thank you to all the teachers and parents that made Spring Conference Week a success!

Weekly Lesson Plans
