Transitions went very well, and all the kids have settled in their new classrooms. If you haven't had a chance yet, please take time to speak with your child's teacher(s) as they can answer any specific questions about their classroom.

Upcoming 2026-2027 School Year- We will be sending out information regarding before and after school care later this month. Packets will be available on the front counter.

Summer camp is officially underway! The kids have been having a great time. Ms. Danielle has returned for the summer to assist Ms. Kari with this year's summer camp. Be sure to keep an eye on our Facebook page for pictures from field trips, art projects, and so much more!

Looking for some fun summer fun activities? Check on the list below for some fun local ideas!

- Kenosha Harbormarket- Every Saturday 9am-2pm. Special events, fresh produce, food trucks and live music.
- Friday July 10th- A Minecraft Movie at Petrifying Spring Park 8pm
- Saturday July 18th- Art in the Yard. 9am-3pm at Mocha Lisa Coffeehouse
- Kenosha Public Library- each location offers a variety of classes, story times, etc.

We wish all our families a safe and enjoyable 4th of July holiday weekend!

Friendly Reminders:

- Each classroom has two outside times (weather permitting), please sure your child is dressed in weather appropriate clothes. We have sunscreen at the center-if you prefer your child to have a specific brand please send it with their name on it. Please send your child in tennis shoes daily, crocs are not the safest outdoor shoe and they fall off easily.
- **Please make sure your child is at the center no later than 10am.**
- Send your child's water bottle daily.
- Send your child with a lunch every day; please try to avoid sending sugary snacks in your child's lunch as well as juice boxes. We serve milk/water with all meals.
- Please make sure your child has nap supplies, diapers/pull ups, wipes every week.

Many Ways to Play with Toddlers:

As adults we learn new things with a combination of instruction and exploring on our own. Toddlers are the exact same, the best way for toddlers to learn is enjoying a mixture of structured and unstructured play. Below are some examples of structured and unstructured play that you and your child could do at home:

Structured Play:

- **Color Sorting**
- **Obstacle Course**
- **Freeze Dance**
- **Matching Games**

Unstructured Play:

- **Nature Exploration-let kids collect rocks, roll in dirt, or splash in puddles**
- **Play Dough**
- **A cardboard box becomes a spaceship, and a towel turns into cape!**
